COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

We expect to receive our town reports by the latter part of next week. If a taxpayer has not been receiving one in the past they should contact the Town Office. We have one placed in each mail box but some people receive their mail in someone else's box so these people do not get one.

There will be some new ordinances this year on the warrant. One pertains to leaving snow on the streets and sidewalks, another one is for dog control. Both of these pertain to the whole town, not just the village.

The Town Office will be open for Washington's Birthday, Feb. 15, for the convenience of those who wish to pay excise taxes. Excise tax must be paid and new tabs for number plates obtained prior to March 1. Each year we have residents, especially newcomers who are not aware of this deadline.

There will soon be copies of the Dog Control Ordinance available for those interested. It should be read very carefully as it will affect a large percentage of dogs in town.

The teams competing will be from: Quonset, R. I.; Boston, Mass.; Portsmouth, N. H.; Newport, R. I.; Kefauver, Iceland; Winter Harbor, Maine; Davisville, R. I.; First Naval District, Boston, Mass.

BRYANT POND MAN KILLED AS CAR IS STRUCK BY TRAIN

According to Dr. Walter Dixon of Norway, medical examiner, Rodney E. Rowe was killed instantly when the car he was driving was struck by a Canadian National Railway freight train at the Pine Point railroad crossing in Bryant Pond village. According to Dr. Dixon death occurred as a result of a broken neck. The crash occurred about 4:15 Wednesday afternoon.

Apparently Mr. Rowe's vision was hampered by high snow banks at the location, and his car was struck on the passenger's side and carried about 50 feet by the locomotive of the southbound train. The crossing is marked by signs only. It is reported that only two of seven crossings in the community have flashing lights to warn motorists.

The fatal mishap occurred only about 100 yards from Mr. Rowe's home.

Investigating the late afternoon accident was State Trooper Haven Hutchinson of West Paris, assisted by State Police Sgt. Dean Clukey of Norway, and Constable John Howe of Bryant Pond.

Another train-car crash was reported in the same community earlier in the day. Trooper Hutchinson stated that an auto driven by Harris E. Hathaway had become stuck on a railroad crossing and when he went for help an eastbound freight train struck and demolished the car.

RECEIVED SERVICE PINS—This morning Gordon Cairns, Area C Branch Supervisor and Arthur T. Hayes, Personnel Officer of Casco Bank and Trust Company presented 5-year service pins to three employees of the bank's Bethel branch. Left to right: Mrs. Neda Hutchinson, Mrs. Mary C. Rice and Roger R. Conant, manager.

BISHOP ACCEPTS POSITION AS S. A. D. 74 SUPERINTENDENT

David M. Bishop, assistant superintendent of schools in S. A. D. 44 since last August 24 has accepted a position as superintendent of schools in S. A. D. 74 (Anson, Embury, New Portland and Solon), effective March 2.

Previous to joining District 44 last summer Mr. Bishop had nine years experience in teaching and administration. Receiving his B. A. from Southern Methodist University, Dallas, Tex., in 1960, he holds a degree of Master of Education and a certificate of advanced study from Northeastern University, Boston. His experience also includes service as a high school principal in Limestone and Windham. Married with two children, Mr. Bishop has commuted to North Windham while in the S. A. D. 44 position.

Salary funds for the assistant superintendent's position past June 30 of this year, have been eliminated from the 1971 District 44 Budget.

UPTON

Mrs. Arline Bernier, Corres.—A nice letter from Velzora recalled pleasant memories of the years she and her husband, Ray Thompson, and their son, Dexter, lived here. Ray drove the stage for several years, later moving to Natick, Mass. After his death, Velzora married Robert Trites and they live in Goniz, N. H. The term "stage" is quite strange to some people, but the old-timers here still use it although we don't remember when horses were used. When Ray carried the mail he was known as "stage-driver Ray" and another resident by the same name was called "P. I. Ray" because he had spent most of his life from a young boy to a young man in Prince Edward Island.

Fred Judkins ran onto a fair-sized bobcat on East B Hill Road. He has it hung on his porch where his coyote had been.

Horace Goodrum has been discharged from the hospital and is staying with a son in Berlin until he feels better.

Armand Lavallee is in the hospital in Berlin with pneumonia. Stevie Lavallee is reported as better, but will stay in Berlin for several days.

Bea Judkins has had to discontinue her school until further notice because of ill health.

We enjoyed a break in the severe cold and for 4 days have been having mild temperatures, sometimes with rain or snow and sometimes with sunny skies.

Kathy and I went to Auburn to an Artex Instructors meeting and got home the same day.

Dick Donovan, Ricky and others were at the Mitchell camp over the week end.

Mercury is unfavorably placed for observers in the mid-northern latitudes, rising an hour before the sun as February opens and only half an hour by the 15th.

Venus, passing across Sagittarius in the southeastern sky, rises three hours before the sun at the beginning of this month and two hours at the end of the month.

Whereas Saturn will remain visible until about midnight for all of February, a telescope will reveal its ring system, at mid-month extending 41° and tilted 21° to our line of sight, with the south face visible. The planet itself will be 18" in equatorial diameter and 10" in polar diameter.—Your sky reporter, Ralph Swan.

LIVERMORE FALLS EDGES

TELSTAR 44-59 TUESDAY
Randy Shafer opened up with 31 points for the Andies as Livermore Falls cracked the credit column with a 64-59 verdict over visiting Telstar of Bethel in Tuesday basketball. The Andies had previously defeated the Andies 60-45.

The rivals were even in field shooting Tuesday but Livermore gained a 22-17 margin in the free line exchange. Advantages of 15-12 and 15-10 in the second and third periods forwarded Livermore Falls into irrevocable leads after an all-even first round. Telstar made up three points in the fourth period.

Mrs. Olive Davis, Corres.—Mr. and Mrs. Ellis Davis attended the Franklin Grange at Bryant Pond Monday night, when all the Grange members set up the tables for Pomona supper.

Tuesday night Oxford Pomona Grange met with Franklin Grange No. 124 where a 6:30 supper was served. Special guests for the evening were State Master Ronald Bagley and Bernice Bagley, who is Flora of Maine State Grange and State Junior Grange Superintendent. Sister Bagley also holds an office in National Grange. Brother Burke and wife, June, who is a member of the WAC Committee on the State level were present.

The following program was introduced by the Lecturer Olive Davis. Medley of Welcome song, by a group of singers; Address of Welcome, Master of Franklin Grange Norman Hill; Response by Deputy Eugene Buswell; Ditty by Brother Ralph Bennett; Origin of Ground Hog Day, Read by Sister Lettie Brooks; Reading, Towser Shall be Tied Tonight, Bro. Harris Hathaway; Dancing Sambo, by Carl Brooks, assisted by Charlotte Coe; Saxophone Solo and Encore, Llewellyn Cobb; Comedy Skit (Hearts Delight Salad), Carl Brooks and Ellis Davis; Presidential Balloon contest by young friends and members of Grange, winner—Darlene Hanscom; Speaker, Brother Ronald Bagley; Interesting remarks, Sister Bernice Bagley; Remarks on CWA work, Sister June Burke; Remarks by Brother Burke; Song, America the Beautiful, by all; Closing thought (If you want a friend, be one—Abraham Lincoln), given by Lecturer Olive Davis.

The ground hog was out on the second of February. He must have seen his shadow if he was up as early as we were. I'm sure he went back to bed as it was so cold he would have frozen. It was 22° below on the hill. I guess others were 40 or so below. Anyway six weeks of winter is inevitable. We always have that much before spring, March 22, so why worry about it? We'll take the weather as it comes.

The new donors to Ledgewood Memorial Home in memory of Stanton Cole were Muriel and Bertha Cole, E. C. Hathaway, Mr. and Mrs. Oscar Johnson. Gifts have been received also in memory of Ernest Dunley and Horace Crockett.

The Ledgewood Memorial Home is progressing very well. The electric wiring has been done, the elevator installed, plumbing is in process of being completed, partitions between the rooms are up. The siding on the building is being put on this week and the cement floor in the basement run. The Assembled Homes of Winchester, Mass., directed by George W. Whitten has charge of the building and construction of the same.

An odd sight was seen early one morning as the sun arose. What appeared to be a sun dog was seen in the wooded area north of the sun. It reminded us of a short river bow. The sun on the fog looked like a sea streaming out in front of the sun as it pitched over the hill. I attempted to catch these colors on my camera but as usual the film didn't work right so I have nothing to show for my trip out in sub-zero weather to snap a picture.

Snow travelers have been enjoying snow trips Sunday. Six machines were in the field near the highway late this afternoon, all at one time.

Mr. and Mrs. Lenwood Andrews enjoyed a trip to Wey West this week. They called home reporting a swell time.

Miss Jessica Bane of Bethel spent the week end with her grandparents, Mr. and Mrs. Clayton Bane.

Another heavy February storm dropped on South Woodstock during the night with 10 to 12 inches of the white stuff piling up covering most of the bird tray in the yard. Our one chick-a-dee must be fed. I will go out on the porch.

Today's need of the prayer which covers every human need will be emphasized Sunday at Christian Science church services.

Each session in the Lesson Service on "Bible" begins with a verse from the Lord's Prayer.

Headings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following:

"Our Master taught the disciples...

one brief prayer, which we name after him the Lord's Prayer, Our Master said, "After this manner therefore pray ye", and then he gave that prayer which covers all human needs."

"Everyone is invited to attend services at First Church of Christ Scientist, Maine and Tenth Sts., Berlin, N. H., at 11 a. m.

"The Truth That Heals" is broadcast each Sunday over station WMOU, Berlin, N. H., at 8:15 a. m. The topic this Sunday morning will be "SAFE—Wherever You Are."

A Christian Science Reading Room is now open in the business district in Berlin, N. H., at 134 Main St., from one to four every Tuesday, Thursday and Friday. The public is warmly invited to attend.

NO REASON TO BE PROUD...

Bethel residents have no reason to be proud this town meeting season as for the first time in many years the ballot will not list at least one candidate for each vacancy in elective office.

So-called self-proclaimed "native sons" have no reason to complain that the local affairs are being controlled by outsiders when the sum total of public participation is to shake their heads "wisely" at the direction of local affairs in recent years; to pine for the "good old days" of fact and fable; and to "sit in the corner's seat."

If the newcomers are in control, the "natives" quite possibly surrendered by default. In this time when the so-called establishment urges youth to work within the "system" for change, it is anachronistic when those who espouse the virtues of participatory democracy do not take part in it even at the local level.

Not too much change is likely to be achieved in public affairs at any level by long faces, acrimonious words and the wringing of good conservative hands.

But, to paraphrase John Milton, "They also serve who only stand and sneer"; and as Paley remarked, "Who can refute a sneer?"

BASKETBALL: CLASS D TEACHER PROFILE

by Kris Larson (Western Maine) and Phyllis Harmon (Eastern Maine Correspondent)

Eastern Maine Results: Washington Academy dumped Danforth but lost to Calais. Jonesport-Beals trounced Narragansett and Hodgdon. Stevens was downed by Sumner. Ashland won over Katabdin but they lost to Van Buren. Lubec covered Allagash. Oakfield trounced Island Falls.

Western Maine Results: Gould won an important game over Fryeburg. Erskine leveled Boothbay and Christian. Winslow was defeated by Searsport. Dixfield lost out to Monmouth. Buckfield gained victories over Richmond and Christian. Rangeley flattened North Haven. Wells won over Noble.

Game of the Week: No. 1 Valley High of Bingham took on No. 2 Mt. Abram. This was a very important game in Western Maine D last week, and was played at Mt. Abram. This game was played last Friday night. It was a real cliff-hanger with Mt. Abram winning, 59-57. Bob Grover won the game for Mt. Abram by sinking both shots, in a 1-and-1 situation. The win put Mt. Abram in first place. Mt. Abram led the visitors the whole game except for first period. Noel Hinkley, Bruce Spencer, and Dave Masterman paced the winners with 19, 16, and 10 points. For the losers it was Seth Robinson, Al Sterling and Rod Belanger with 21, 15, and 10 points.

Player Profile: Noel Hinkley, 6 feet 3 inch center, Mt. Abram Roadrunner. This boy is one of the better big men I've seen in Western Maine D. He doesn't really specialize in any one thing, but is a good all-around ballplayer. He's a good rebounder and a good defensive player. He's a very good shot from the outside. He connects on those long jumpers often. He is a major cog in the Mt. Abram machine this year.

OXFORD POMONA GRANGE

State Grange Master Ronald Bagley of Abilene, was guest speaker at Franklin Grange, Bryant Pond, who hosted Oxford Pomona for the February meeting. Attendance was 57 with guests from Androscoggin, Excelsior, Kennebec and York Pomonas. The State Grange Master and wife, State Grange Flora Bernice Bagley, State Grange Committee of Woman's Activities member June Burke and husband, Richard Burke, Past State Grange Deputy, were escorted to the Master's station. Norman Hill gave a report on the Youth Conference, also a W. A. chairman, Rachel Sturtevant, gave her monthly report. A communication was read on the present activities of the State Grange from Mr. Bagley.

Literary program: Opened by a medley of Welcome Songs; Address of Welcome by Host Grange Master, Norman Hill; Response by Deputy Eugene Buswell; Ditty by Ralph Bennett; Saxophone solos by Llewellyn Cobb; Readings by Harris Hathaway; Origin of Ground Hog Day by Little Brooks; Dancing Sambo Puppet by Carl Brooks, accompanied by harmonica and guitar by Charlotte Cole; Skits, Hearts Delight Salad and Presidential Race, by Carl Brooks and Ellis Davis; Contest by the younger members, Breaking Balloons. The State Master was presented and his talk was on Grange procedures. State Grange Flora Mrs. Bagley spoke on the Junior Grange. Remarks were made by Mr. and Mrs. Burke. Closing thought and song.

Lecturer Olive Davis has returned home from the Osteopathic Hospital in Portland. Favors were hearty filled with candy "Ground Hogs" and flags in standards were on the tables in observation of February. The next Oxford Pomona Grange meeting will be with Oxford Grange, in Welchville on March 2, with a 6:30 supper. Guest speaker will be Maynard Dolloff, Maine's Commissioner of Agriculture.

THE TRUTH THAT HEALS

It will be interesting to read future comments on HOLIDAYS.

Violet Swain
East Andover

Mrs. Miriam McAllister is the Kindergarten teacher at the Woodstock Elementary School, Bryant Pond.

She was born in Auburn, Maine, but her family moved to Oregon when she was only five months old; so she was brought up and educated in Oregon and considers this a most valuable experience.

Mrs. McAllister is a graduate of Ontario High School in Ontario, Ore., and the Southern Oregon Normal School. She has also attended Farmington Teachers College and has continued to further her education from there.

Mrs. Miriam McAllister

Her teaching began with the first four grades in a rural school in east-bay Oregon where she taught for three years before moving to Maine. She taught the first three grades in Bryant Pond for three years. Her teaching career was then interrupted by marriage because those were the days when women teachers were automatically through when they married!

Later she resumed teaching at the Sub Primary, First and Second grades at Locke Mills. In 1959 she came back to the Bryant Pond School where she has remained with the Kindergarten. She remarked what a change she has seen and experienced over the years. This is Mrs. McAllister's 31st year of teaching.

Among the many activities in which she participates is membership in the local Faculty Club, the Maine Teachers Association, the National Education Association, the Parent-Teachers Association, and the Delta Kappa Gamma (of which she is presently the President of the local Zeta Chapter). She is a past matron of the Eastern Star, Jefferson Chapter #89, in which she now holds the office of Martin, a member of the Star Birthday Club, the Grange and the Extension Service. She attends the Bryant Pond Baptist Church.

Her interests are numerous and she and her husband, Seymour, spend as much time as possible at their camp in Newry. She rates high on the list her enjoyment of the outdoors and states that she is part rock hound, a bird watcher, driftwood collector and even a dump digger! She also likes antiquing, coin collecting, knitting and sewing.

Trips have been made across country to Oregon and Idaho where a sister and a brother reside. Her mother, Mrs. Gertrude Davis, now makes her home with the McAllisters.

FOOTBALL IS A THEME OF U. of M.-ORONO CARNIVAL, FEB. 12-14

—Cindy Chapin Queen Candidate

"You Gotta Be a Football Hero to get along with the Beautiful Girls" is the title of a song popular a few years ago and the appropriateness of the title can be appreciated on any college campus today. It especially holds true for the University of Maine at Orono where preparations are being made for the annual Winter Carnival Feb. 12-14.

Three of the four king candidates who will escort the beautiful girls vying as Winter Carnival Queen, are members of last season's football team. The fourth was captain of the 1970 UMO varsity soccer team.

Seeking the king's crown will be sophomore David Paul of Manchester, N. H., a wide receiver on the UMO squad last fall; senior Henry (Arnie) James of Milton, Vt., a co-captain and defensive tackle for the Black Bears last season; and Stan Maddock of Portsmouth, N. H., a junior defensive end who is a co-captain of the 1971 eleven. The fourth king candidate is Christopher Bowman of Pownal, a senior and last fall's soccer captain.

And what could be more apropos than to have a football game during the carnival festivities. Plans are being made for the Snow Bowl to be played in the snow between the dormitory and the fraternity men.

Queen candidates are Katie Dickinson, a senior from Milford, Conn., and Barbara Poeppelmier, sophomore from Glastonbury, Conn.; Diane Denley, a sophomore from Beverly, Mass.; Cynthia Chapin, a junior from Bethel.

Miss Chapin is the daughter of Mr. and Mrs. Charles Chapin of Bethel and is majoring in elementary education. She is a resident assistant at York Hall, a member of Alpha Omicron Pi Sorority, a member of the Panhellenic Council, the junior class executive board and Kappa Delta Pi, the honorary education society.

SNOWMOBILE REGISTRATIONS HIT RECORD IN MAINE

It appears now that Maine's snowmobile registrations for this season will go well over the 40,000 mark, according to the Maine Fish and Game Department.

As of the week of Feb. 1, the 40,000 figure was reached. This is almost 11,000 more than a year ago. Lorenzo J. Gaudreau, in charge of the registration office, said that the way it looks now, the figure will probably go to 42,000.

Although the registration office encountered a tremendous jam in December and January — running sometimes as much as two weeks behind — Gaudreau said that mail registrations are "in today and out tomorrow."

"We have learned a lot this second year, and by this experience things should go more smoothly for the 1972 season. We did not have an adequate staff to handle the unpredictable avalanche of mail received after the first snowfall. For example, Gaudreau said, "In December of 1969, the office registered 6,000 snowmobiles. In 1970, 18,000 applications were received in the same month, and 13,000 of these were processed. This left a backlog of 5,000 applications."

"For two weeks after the first snow, counter traffic in the office here was so heavy it demanded the attention of the entire office staff."

"In 1971, with an increased temporary staff and a simplified method of handling office registrations, the public will get much better service during the peak period," he said.

NORWAY WOMAN RE-APPOINTED TO HEALTH ADVISORY COUNCIL

Mrs. Joyce Bennet of Norway, of the Oxford County Economic Opportunity Council Office, has been re-appointed to the State Health Advisory Council by Gov. Kenneth M. Curtis.

Mrs. Annie Cotton has received word that her grandson, Larry Don Cotton, has received his discharge from the U. S. Army and arrived home from Vietnam on Sunday. He is the son of Mrs. Irene Hall of Mechanic Falls and the late Ray Cotton Jr.

ENROLLING FOR MEDICARE DOCTOR-BILL THRU MARCH 31

The season for enrolling under Medicare doctor-bill insurance is now here and will continue through March 31. John M. Beale, Social Security District Manager, reminded area residents today. The general enrollment periods, which now extend through the first three months of each year, give opportunity to some people sixty-five and over to change their minds about coverage under Supplementary Medical Insurance Benefits, the proper name of "Part B" of Medicare.

If an individual did not sign up at his first opportunity, or if he did enroll then but later dropped the protection, his chances to pick up coverage later are limited by the Medicare law, Beale explained.

In fact, people who reached sixty-five in September 1967 or earlier and never signed up have already lost their last chance to qualify; the final opportunity for them expired at the close of last March. The same is true of eligibles who had coverage once but had it terminated any time before 1968, and of those who had the coverage terminated twice regardless of time or reason; it is no longer available to them.

The enrollment period now going on represents the last chance to enroll for people who attained sixty-five between the start of October 1967 and the end of September 1968, and for anyone who once had coverage but had it closed out any time in 1968.

Again this year, the Social Security Administration is sending notices to persons who are eligible to sign up during this enrollment period. Included are individuals who previously refused coverage or had it but dropped it, and other individuals who have never responded to earlier enrollment opportunities. Beale observed that Social Security's persistence in recontacting such people in successive years has been in reality a service to them. A considerable proportion do avail themselves of the doctor-bill insurance as a result of these subsequent enrollment activities; in fact, of a small number processed by personal contacts by the local office in last year's enrollment period, nearly all had

changed their minds and decided in favor of enrolling. Typically, these are individuals who earlier had seen no need for paying the Part B premium from their limited resources because they "never have the doctor," but in the meantime have had illness which made them more aware of the costs of medical care.

Voltaire 613 of the 40 & 8 will have their next promenade this Sunday, Feb. 14, at the Dixfield American Legion Home. This will be a supper meeting and the supper will be served by voyagers of the West Peru American Legion Post.

GIRL SCOUT CAMP KICK-OFF MEETING TO BE HELD FEB. 18

The Girl Scout Camp Kick-off meeting will be held Thursday, Feb. 18, at the Congregational Church at 3 p. m.

All seven Bethel Area Troops are invited. Opening ceremony will be led by Junior Troop 569 and singing by Brownie Troop 675.

Mrs. Albert Spaulding, Telstar Association Chairman will show camping slides and closing circle will be by Junior Troop 674.

When Brownies and Girl Scouts enter the church they should locate their troop number—leave their belongings at this place and go to the downstairs for the meeting.

The meeting is to create interest and spread information about the beneficial Girl Scout camping experiences — both day and resident camping—that are available to our local girls. It is urged that any interested parent attend—this is where your questions will be answered.

STUDENT COUNCIL NOTES

Much attention is given to the boys' athletic teams, which is good. They deserve the support which they work for. But what about the girls' teams, they also deserve support but very seldom do they receive any.

When I speak of the girls who are active in athletic activities, the cheerleaders are also included. The girls are out representing their school, working just as hard as the boys do. One can imagine the ridicule that will stem from that statement, nonetheless it is true. Hardly ever does one hear much about the girls who participate in extra-curricular activities.

It's a shame I suppose that what support the girls do get does not come so much from the students as it does from the parents who come to watch their daughter play. Interest just doesn't seem to be outstanding at the school. If this sounds harsh, it's not meant to be. The only purpose of writing it as such is to try and make people think, which I suppose is the purpose of this entire comment.

Yes, the girls are under rated, but in a sense so are the boys. The boys themselves do not get near as much support as they should. It is quite disappointing to go to a game where the visiting team brought along as many if not more spectators than believed to show up for the home team.

One could continue on this subject for quite a long time, but for the sake of those who show no interest or who care less, so to speak, I'll end it here. For those who do take an interest, let's get out and cheer that we do care.

TELSTAR GIRLS GAIN SPLIT IN PAIR OF HOOP CONTESTS

The girls' basketball team, Telstar Regional High School, played at Hal Dale High School on Jan. 20. High scorer for the team was Susan Hutchins. Hal Dale was the winning team, 32-24, but the Telstar J.V. squad was victorious with a score of 14-11.

On February 2, the Telstar girls were hosts to the Leavitt High School team and emerged the winners, 43 points to Leavitt's 37. Janis Howe was Telstar's highest scorer. The Telstar J.V.'s also won, 12-10.

The next games scheduled are on Feb. 11 at Winthrop and at home on Feb. 16 with Berlin, N. H., High School.

Janis Howe will be Telstar's representative at the regional foul shooting contest to be held Saturday, Feb. 13, at Leavitt High School.

VICAR APPOINTED FOR NORWAY EPISCOPAL CHURCH

The Rev. Samuel G. Henderson, III, former Curate at St. Johns, Bangor, has been appointed Vicar of Christ Episcopal Church, Norway, by the Rt. Rev. Frederick B. Wolf, Bishop of the Diocese of Maine.

Rev. Samuel G. Henderson, III

Father Henderson was graduated from Maine Central Institute in 1959 and from Ricker College with a Bachelor of Arts degree in 1961. He worked for a year in the public relations field in Augusta before entering the Anglican General Theological Seminary in New York City.

He received an STD degree from that Seminary in 1963.

He was ordained Priest at St. John's Church in Bangor, also in 1963.

While at Seminary, Father Henderson received special training in alcoholic rehabilitation. He currently serves as a member of the Diocesan Council and Chairman of the Diocesan Department of Communications.

Father Henderson began his duties at Norway on Jan. 3.

Father Henderson holds services at the Chapel of Christ the King in Bethel on Sunday evenings at 7:30.

of the devotional service Mrs. Marjorie Kimball, North Waterford, presented the following program: A piano and organ duet with Mrs. Irene Kent at the organ and Mrs. Marjorie Kimball at the piano. Each one presented a reading in an alphabetical Bible character reading.

William Kimball, who has just completed four years service in the Marine Corps, showed interesting slides on Washington, D. C.

The next Fellowship meeting will be at North Waterford, June 2.

SUNDAY RIVER

Mrs. R. M. Fleet, Corres.

Mr. and Mrs. Ernest Verrill and children of Concord, Mass., were at the Floyd Verrill place over the week end.

Skiers and snowmobilers are numerous here today.

All the sick are getting better, some much slower than others.

Mrs. Celia Gorman and friend from Bethel were in town just in time to see another rare visitor, a horned grebe. It was first seen by David Fleet down in our field who took his snowmobile and went to investigate. This bird has to have open water for take off and fly, so was grounded. Well, after a ride to the house and a bath in a wash tub of water right from the well, the grebe was removed from his feathers and lower part of its back, then it began to talk and bleat as well. Its beak is not like a duck. It is very pointed and thin, so can make one feel the hurt for some time after. The only thing was it did not care to eat what we had, a frozen smelt thawed out. It pinched it and as it did not flop it threw it aside. David could not find any open water along the river so called Alden Kennett, our game warden, and the next day he was taken to an open place also shared by three black ducks and at last report

was enjoying their company and seemed to be contented Sunday.

Snow—Snow and Snow and more coming this Monday morning—but it is warmer—for which we can be thankful.

Happy Birthday—Mrs. Fleet—wonder if it snowed like this the day or night you arrived?

Verna Swan was a Sunday visitor at the Esles Yates.

Gary Yates called on his grandparents, Sunday.

Dinner guests of the Yates, Jan. 31, were Mr. and Mrs. Lawrence Yates of South Paris, Mrs. Viva Whitman, Wynona, Norway, Mr. and Mrs. Rodley Adams, Gregory and Lorene, of Lovell, Russell Yates, Rumford Center, Gary Yates, Bryant Pond, Mr. and Mrs. Bryce Yates, Edwick, Elden, Darnita and her /clond, Heidi Bruchelder, of Newry, and Edward Haines of Bethel.

Edith Garey is having trouble with her car.

GREENWOOD CITY

— Mrs. Colista Morgan, Corres. —
January is gone. Is there anyone who regrets its departure?

Today is February with the last full month of winter. Up ahead is March and April.

Ground Hog Day came and went. I think if the alarm clock went for him to dig through the frozen soil and snow he just turned over and let it ring. The thermometer stood on zero most of the day. But there are only about eighty days to May Day. Time flies!

On Monday I went far up the Sanborn River on my snowshoes. I traveled nearly to the Patch Mountain Road, the farthest I have ever been. In summer the water is too shallow. When I could hear the water gurgle I turned back. I wasn't afraid of its depth but didn't relish wet feet so far from home.

There were others that had followed this same route: mice, squirrels, rabbits, a dog or fox, and my interesting friends, the others. They belong to the weasel family but their disposition is entirely different. They act like small boys for they run then slide. On loose snow they propel themselves toboggan-wise and dive, only to come up yards away from the spot where they ducked under the surface. This helps them from attack by an enemy. The enemy is unable to tell in which direction the other went when he plunged.

I have read that they are the swiftest animal in the water but the slowest of the family on land.

Others may be guilty in taking more fish than they need at times. In this respect they are like human anglers. But there is this difference. Others don't hate fishermen but most fishermen hate others. Man doesn't like what he considers poachers on his property.

They may have dens along the banks with runways opening under the ice which furnish air-pockets for them.

I always hope to see one but so far I've seen only their trails.

Leaving the river I went into the pine grove, white pine, with some of its needles underneath, pulled from the branches by the strong winds. I picked one up and counted the needles in a cluster recalling the many times I taught children how to remember the white pine from others; a needle for every letter in "white."

Just beyond the pine grove there was a perfect arch. On the underside of it the fungi, except for color, were "roses" with perfect petals and moss for the green of leaves. On top of the arch two inches of sparkling snow lay, melted enough

at the edges to form ribbons of lace. In the snow beneath were the faintest of foot prints. At any moment I expected to see a troupe of elves holding a conclave. Maybe they had just left.

I took a picture and went on, the crunch, crunch of my snowshoes leading me through the graceful birches.

Across the pond to the east the rolling hills with gray and green stood out, some still wearing white garments.

Toward the west there were foothills, snowy slopes, humps and hollows dotted with spruces.

The sky was overcast now so it was a quiet gray and white, and a little wind.

At the edge of the pond I had a real surprise. Pussy willows. How could they arrive in such temperatures! I picked some and started home where the roads and path formed a necklace around our cabin and the everlasting hills closed us in warm and cozy.

Bernard Morgan arrived home on Tuesday of this week.

Miss Ann Holt and Vicki Weymouth, Bridget, went to Brunswick on Saturday to visit with two other girl friends, college classmates, for the week end.

Ice fishermen took advantage of the warm weather on Saturday and so did the snow travelers.

Mr. first flock of Evening Grosbeaks flew in with the storm on Friday. Only two returned on Saturday.

Mr. and Mrs. Maynard Chase, West Paris, were supper guests of Mr. and Mrs. Leonas Holt, Thursday evening.

Mr. and Mrs. Nestor Tamminen and Mrs. Clyde Morgan were in South Paris on Wednesday afternoon to attend the "Aware Club" which is newly formed for anyone interested in pollution and what can be done to improve his town.

Katherine Hakala and Jean Millett visited Brenda Mason and Ryan in Bethel one day this week.

Mr. and Mrs. Norman Millett and Stephen were in Lewiston on Wednesday. At that time Norman donated blood to the blood bank at CMG Hospital for Bernard Morgan. Katherine and Judith Hakala were at Telstar Wednesday evening. Judith took part in the dancing program.

Mr. and Mrs. Norman Millett attended supper and joint meeting of the Bethel and Greenwood fire departments at Locke Mills, Thursday.

MAGALLOWAY

— Mrs. Bessie Harvey, Corres. —

Mrs. Elinor White is home with a cold. She is employed at the Seward nursing home.

Mr. and Mrs. Mark Harvey were at Rangeley three times lately, as he has been having treatments by Dr. Schilbergh for a lame back.

My eldest granddaughter Mrs. Dorothy Abbott Sabins of Newcastle called me Thursday evening and said they were having a lot of snow and very cold weather. She, her husband, Harold, and their six daughters are all well. Harold, who was badly injured in an automobile accident in November gets around well again. They have a new snowmobile and like it.

Mrs. Jean Howard of Colebrook celebrated her 48th birthday Sunday at her camp in Pond Brook. She is the second daughter of the late Ewen and Evelyn Cameron and was born and raised at Big Buck Camp in Sturtevant Pond.

Some State Road men are inspecting the road above the Russell place and also looking over the site where the new bridge will be built in Magalloway.

The weather was real sunny to most of last week but very cold, 30 and 40 degrees below zero in the mornings and Sunday night about six inches of snow fell. Again the ice on roofs is melting and water coming in between window and doors.

A cat epidemic has come again. I have lost two lovely kittens and three more are sick. This sickness has not been here for a long time.

A number of people are ill with very lame backs.

Lettie Olson of Wilson's Mills called on his brother, Ellis, and on me Sunday afternoon and evening.

Mark and Alice Harvey went to

Sunday Cove Sunday with their snowmobiles.

Mr. and Mrs. Donald Cameron and daughter, Debbie, were at their camp on Umbagog Lake over the week end.

My grandson, Frederick Abbott, of Groveton, and family visited me Sunday. They were in Woodville Saturday and he went snowmobiling.

Only a few trucks are going by with logs and pulp. It may be the weather is too cold for lumbering. The mercury dropped to 40 below zero Monday morning, Feb. 1 and almost every morning it is 25 and 30 below zero. The ground hog saw his shadow so there will be six weeks more winter as usual.

Donald Cameron of Oquossoc was over Monday and called on me on his way back from Enrol.

Mrs. Daris Poulin of Rumford who has been a patient in the Rumford Community Hospital is better and has been moved to the home of her youngest daughter, Corinne, also in Rumford.

HOUSE DESTROYED BY FIRE IN EAST ANDOVER MONDAY

The old Dunham place, Farmer's Hill, East Andover, a two and a half story house with barn attached burned to the ground on Monday.

The fire alarm was called into the fire department at 12:40 and the all out sounded at 2:30 p. m.

Assistant Fire Chief Robert Hutchins answered the call and notified Chief Donald French at the Oxford Mill.

Engines two, three, and Ladder one responded with approximately 17 volunteer firemen. Engine one remained at the station. Lack of water and deep snow hampered the firefighters.

The owner, Paul DeShong, resided approximately a mile away. He had been at the house a short time before fire was discovered. The house was unoccupied and the cause of the fire unknown. Loss was estimated at \$10,000, partially covered by insurance. Previous owners of the farm house have been Rand, Straw, Parkman and most recently Mrs. Beverly Dunham and family. The house was over 100 years old and one of the few remaining houses on the Farmer's Hill Road.

Chief French said that this was the first house loss since June 1970. Since the new year began there has been only one chimney fire.

Assistant Chief Hutchins was in town because of no school in District #44 due to the storm. He is one of the bus drivers to Telstar.

Survivors include his widow, the former Barbara Todd; a son, Jonathan; his parents, of Bethel; and a sister, Jo Anne, of Portland.

Funeral services were held Wednesday morning, Feb. 10, at the Church of Our Savior, Waterville, Conn.

SONGO POND

— Mrs. Ralph Kimball, Corres. —

Ernie Waterhouse of Bethel spent the week end with David Anderson. I don't imagine they were too disappointed to hear the "no school" announcement Monday morning.

Mr. and Mrs. Howard Lapham and Terele drove Mrs. Marian Lincoln to Portland Sunday where she took the bus to Boston to return to the home of her son in Hingham, Mass.

Mrs. Robert Anderson has been on the sick list. She was able to go to Lewiston Tuesday for truck repairs.

Mrs. Norma Selway babysat for Todd Davis two days last week.

Mr. and Mrs. Herbert Stone of South Paris were Sunday visitors at Ralph Kimball's. Other recent callers have been Mrs. Charles Germain, Howard Lapham, Jesse Day, et al.

JAY VICTORS OVER TELSTAR BY BETTER FOUL-SHOOTING

Jay and Telstar were evenly matched in field goals but the visitors picked up six points from the throw line for a 60-54 decision in their Mountain Valley Conference basketball contest Wednesday. The game was a make-up of last Friday's snow-out.

Jay was eight back at the half but gained 14 in the third quarter drive. Mike Lapointe, Fred Ouellette and Wayne Gordon led Jay scoring while Dave Keniston and Ron Deegan were Telstar's top shooters. The visitors also won the junior varsity event.

Telstar will entertain Winthrop on Friday evening, and journey to Lisbon next Tuesday.

HISTORICAL SOCIETY LEARNS LOCAL INDIAN LORE AT FEBRUARY MEETING

The February meeting of the Bethel Historical Society, last Thursday evening, brought out a good number, who much enjoyed Mrs. Elmira Kimball's talk on the Indians of this valley.

She related many interesting facts and legends, not only about Molly Ockett but also Metalluk, and Sabatis. She revealed how Pamachenee got its name from his daughter, and how various people in this area knew him through his long life, which finally ended in a remote Stewartstown, N. H., location some years after he became blind. The anecdotes of Gov. Lincoln's knife and Metalluk's desire for it, and how he tricked the governor into getting it amused Mrs. Kimball's listeners as did many other tales.

The Indians of this valley and these three were known as St. Francis Indians. Sabatis with whom Molly Ockett lived, for a time, used to visit on his trips here from Fryeburg, at the Joseph Swan home—this was just below the old Alder River bridge on the Sunset Farm land.

Sabatis accompanied Arnold to Canada, and like Metalluk was widely known as a guide.

These Indians enjoyed friendships with many of the white people in the valley and befriended them in many ways.

Mrs. Kimball in her love for Indian lore successfully depicted life as it was in those early days.

Edward Quinn, vice president, presided in the absence of the president, John T. Grover, and Mrs. Quinn gave the secretary's report in Mrs. Grover's absence, and also Faye Taylor's treasurer's report.

New members from away are former residents, Gertrude Fossell Stevens and her son, Paul Fossell, and they also sent in addition to dues, a contribution to the mile of pennies project.

It was voted to start a membership and fund drive, and Norman Millin is chairman. The following volunteered to serve on this committee: Rosalind Chapman, the Robert Marshalls, Mrs. Sally Morrill and Miss Nancy Morrill.

Edward Ferron read some interesting clippings relating to other historical societies, and Clare Smith

CIVILIZATION'S DISEASE
DENTAL CARIES (Cavities)

Fermentable carbohydrate foods with a high sugar content are believed to be the chief cause of producing dental caries. Cutting down on sweets and other sucrose-containing snacks is one of the first rules of dental health education. Strengthening the hard glossy outside enamel of the teeth is also important, and this is helped by the fluoridation of drinking water.

The next preventative measure is in reducing, by vigorous brushing, the amount of dental plaque that accumulates at the base of teeth and gum junctions. Dental Caries start underneath this plaque. The brushing also helps to eliminate inflammation of the gums and reduce calculus which could lead to disease of the gums. We carry a complete stock of dental aids.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge discounts.

EDLA DURNELL

Funeral services were held Monday morning, Feb. 1, for Edla K. Durnell, 74, of Arlington, Va., who died Friday, Jan. 29, 1971, of pneumonia at Northern Virginia Doctors' Hospital.

Mrs. Durnell retired in 1958 after five years as the manager of the Herb Cottage at National Cathedral in Washington. During World War II she was supervisor of the District of Columbia school lunch program. Since 1939 she had lived in Arlington.

She was a native of Newry, Maine, and a graduate of Gould Academy. She taught school for two years and later attended Boston and Harvard Universities.

She is survived by two sisters, Mrs. Albert Johnson, of Nahant, Mass., and Mrs. John Tillema of Arlington, Va.; two nieces and two nephews.

Private interment followed a service at Ives Funeral Home.

BORN

On Feb. 8, to Mr. and Mrs. Bud Horton of Albany, a daughter.

DIED

In Arlington, Va., Jan. 29, Edla K. Durnell, native of Newry, aged 74 years.

In Norway, Feb. 5, Arthur P. Bucknam of Rumford Corner, aged 66 years.

In Hartford, Conn., Feb. 7, Wayne Robert Perry, of Bristol, Conn., aged 27 years.

In Bryant Pond, Feb. 10, Rodney Rowe, of Bryant Pond, aged 39 years.

read a poem "Riverside Park," about the famous trotting track near the Norseman, written by her mother, Addie Kendall Mason, in 1891.

The refreshment committee for the March meeting is Mrs. Dorothy Marshall and Mrs. Ruth Ames. The program will be announced later, and as usual any interested in learning more about their home town will be welcomed at the meeting, including students who might like to know what it was like to be a teenager here in 1900, or in the decades since.
